SEAMUS MEMBERSHIP GUIDELINES

2.0 Membership Benefits

Membership is open to individuals and institutions who support the goals and missions of the society. Membership in SEAMUS provides the following benefits:

- the SEAMUS Newsletter
- the Journal SEAMUS
- issues of the SEAMUS CD Series upon release
- discounts for registration and conference fees at the National Conference
- free submission to the National Conference
- access to the SEAMUSONLINE members area
- access to SEAMUS L list server
- information regarding upcoming Electroacoustic events of significance including the national and regional conferences

Members may include at their option a subscription to the SEAMUS-I electronic mailing list, and inclusion of their web page in the SEAMUSONLINE web service.

Membership is defined through the payment of dues to the society. All memberships are valid for one year from the date dues are paid. A member in good standing is defined as one whose dues have been paid. Dues which are more than six (6) months overdue will be considered delinquent, and the member will no longer be in good standing.

Members must be in good standing to receive any of the benefits defined in paragraph 2.0. For example, members are entitled to an issue of the Compact Disc Series if they are in good standing at the time of the CD's release. Memberships are defined on four levels: Regular, Student, Institution/Library and Honorary Member.

2.1 Regular and Student Memberships

Any individual who is a citizen of the US may join as a regular or student member. Student memberships are only available to students currently enrolled in courses of study at a high school, college or university. Proof of enrollment (student ID card, transcript) is required for student memberships. All other individuals join as regular members.

2.2 Institutional Memberships

Libraries, institutions and organizations may join SEAMUS as institutional members, and are entitled to all of the benefits described in paragraph 2.0. Institutional members do not have voting privileges.

2.3 Honorary Memberships

Individuals and institutions may be given honorary memberships. Honorary members are entitled to all benefits described in paragraph 2.0.

Recipients of the SEAMUS Award are automatically given an honorary membership. If they are current members of SEAMUS, their membership is converted to honorary lifetime status, effective when current membership expires. Other individuals and institutions may be given honorary memberships only with the approval of the President and Board of Directors.

Individual and institutional honorary memberships are valid at the discretion of the President and Board of Directors. Honorary memberships are valid for the member's lifetime.

2.4 Associate Memberships

Associate memberships are available to any individual who supports the goals and missions of the society, but is not a citizen or legal resident of the United States. Associate members are entitled to all benefits describe in paragraph 2.0, but do not have voting privileges.

2.5 Membership Dues

Dues for membership in SEAMUS are as follows:

- | | |
|---------------------------|------|
| ▪ Regular member | \$45 |
| ▪ Student Member | \$25 |
| ▪ Institutional Member | \$50 |
| ▪ International Associate | \$45 |

There is an international surcharge of \$5 for all memberships whose mailing address is outside of the United States. Memberships are valid for one year upon their receipt. Regular memberships are considered professional and may be tax deductible.

2.6 Sustaining Memberships

Individuals who contribute to SEAMUS at levels above the regular membership dues are considered to be Sustaining Members. There are four levels of sustaining member, based upon the amount of contribution to the society. The levels are:

- | | |
|------------------|-----------------|
| ▪ SEAMUS FRIEND | \$75 and above |
| ▪ SEAMUS DONOR | \$150 and above |
| ▪ SEAMUS SPONSOR | \$300 and above |
| ▪ SEAMUS PATRON | \$600 and above |

Sustaining members are acknowledged in the Journal SEAMUS, The SEAMUS Newsletter and SEAMUS Online. A sustaining membership is valid for one year. Sustaining members are entitled to all the benefits listed in paragraph 2.0.

2.7 Membership List

The list of current members and their addresses is a protected resource. It is not to be distributed to any outside organization or company. Exceptions to this policy are granted where the requesting organization or company is a non-profit entity and it provides a service, resource, or product of value and relevance to SEAMUS members. Organizations or companies which fulfill this exception criterion may also distribute their materials electronically to members through the SEAMUS-I electronic mailing list.
